PACK OF 10 REPLACEMENT REFILLS FOR 212151, RED

Article number: 212157

Pica dry construction marker graphite for marking, drawing and labeling even in hard-to-reach places. Writes on almost all materials, even on dusty, rough and oily surfaces. Can be wiped clean with a damp cloth on smooth surfaces. The refills are protected by a stainless steel tube and reloaded by means of a push mechanism. The practical storage case also serves as a sharpener. Pencil version with graphite lead B2 (general purpose pen). Replacement leads for Cimco item no. 21 2151, water-soluble; pack of 10, red (protect from temperatures above 30°C).
