CRIMP TOOL KIT

Article number: 178204

The "Crimp" tool package is the ideal addition for electricians and industrial electricians who want to create professional crimp connections. It is ideal for equipping CimCase and Gigant empty cases or for specifically expanding existing tool equipment.
The set includes the Click'n'Crimp crimping tool system for precise and standard-compliant crimp connections, as well as the Super Stripper for the safe and clean removal of cable sheaths.
